EXPERIENCE

Pathao / Product Designer

Jul '18 – Mar '19 • Dhaka, Bangladesh

Practiced Lean UX to ideate, gather feedback and reiterate on the design of 7 internal tools that supports critical functions at Pathao. Designed a fraud detection tool in 3 weeks using intelligence from Go-Jek, the major investor of Pathao.

Delivered the design of a delivery logistics tool in 1 month, that is to be used by low skilled employees throughout the nation.

ThirdHand Bangladesh / Founder

Jul '16 – Jun '18 • Dhaka, Bangladesh

Founded a digital agency in 2016 to utilize diverse skill sets. Used SEO and paid media to gain clients globally at very low cost.

Hired programmers and delivered several websites with good UX and sophisticated back-end. Developed year-long retainer relationships with clients by delivering paid ad campaigns that generated \$1000/day in revenue from a \$10/day ad spend.

Knowledge Systems & Research / Research Assistant

Apr '15 – Feb '16 • Syracuse, New York, USA

Tested, reviewed and reported survey design flaws for Microsoft's public, enterprise, and partner businesses. Managed comprehensive Excel spreadsheets with aggregated data that was consumed by the business team.

Created and optimized VBA macros to automate data checking and report generation for entire data sets. Utilized SQL & Excel to monitor Microsoft's global survey databases to ensure data accuracy across all silos.

Kerr Financial Group / Junior Analyst Intern

Sep '14 – Nov '14 • Binghamton, New York, USA

Calculated stock performance ratios such as price to earnings and asset to debt to discover undervalued stocks.

EDUCATION

The Hong Kong University of Science and Technology / Full-stack Development with React

Apr '19 – June '19 • Coursera.org

Bangladesh University of Engineering and Technology / Machine Learning in Python

Apr '19 – May '19 • Dhaka, Bangladesh
